

ONE DAY TRAINING ANNOUNCEMENT

“TO PERMIT OR NOT TO PERMIT – THAT IS THE QUESTION”

Co-Sponsored by the US EPA and the EPWPCOA Industrial Pretreatment Committee

Presenters will include Steve Copeland, Liz Ottinger and John Lovell from the US EPA

**Tuesday September 25, 2012 (Overflow Wednesday September 26, 2012*) –
at the Upper Merion Township Building in King of Prussia, PA**

Topics will include: identification of industries to be permitted; assignment of industrial categories; calculation of limits based on the combined waste-stream formula and production based standards; comparison of categorical standards to the local limits; and permit contents including limits, monitoring, reporting and other regulatory requirements.

The program is designed to be of interest and provide information to novice and experienced industrial waste pretreatment coordinators as well as superintendents, municipal managers, municipal authority managers, consulting engineers, and elected and appointed officials desiring information and having an interest in industrial waste pretreatment.

Registration is from 8:00am to 8:30am.

The training session will be held from 8:30 am to 3:30pm.

The fee for the training is \$150.00 per person. \$20.00 per purchase order is charged for registration. Purchase Orders are considered a contract and payment must be made regardless of attendance of the registrant. Visa and MasterCard are also accepted. Please write the card number and expiration date on a separate paper and include with your registration or call the office with the information.

Registration is limited to forty people per class. Be sure to register early.

* Registration will be on a first come first served basis for September 25th. After 40 attendees are registered, an additional course **may be** offered on September 26th if sufficient registrations are received. Please mark your form below to indicate if you can or cannot attend September 26th if necessary. You will receive a verification/rejection for the additional day depending on your and the course availability.

A confirmation of class registration and directions will be mailed 7-10 days prior to the Training Session
